

KROY

User manual

All about Kroy

In the year 2042, York has been invaded by extraterrestrials (ETs) from planet Kroy. Your task is to destroy all the ET fortresses which are in key locations in York such as York Minster and Clifford tower. Watch out for the ET patrols.

Fire trucks

In Kroy, you will be controlling fire trucks that spray water at ET fortresses to destroy them. Fire trucks can be swapped out at any point during the game, each fire truck is different in its own unique way.

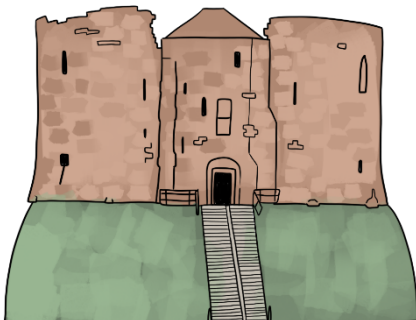

FIRE TRUCK 1

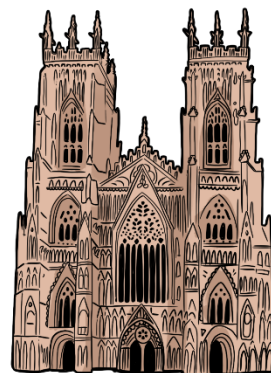

FIRE TRUCK 2

You will be tasked with destroying the alien fortresses set up in key York locations.

Alien Fortress

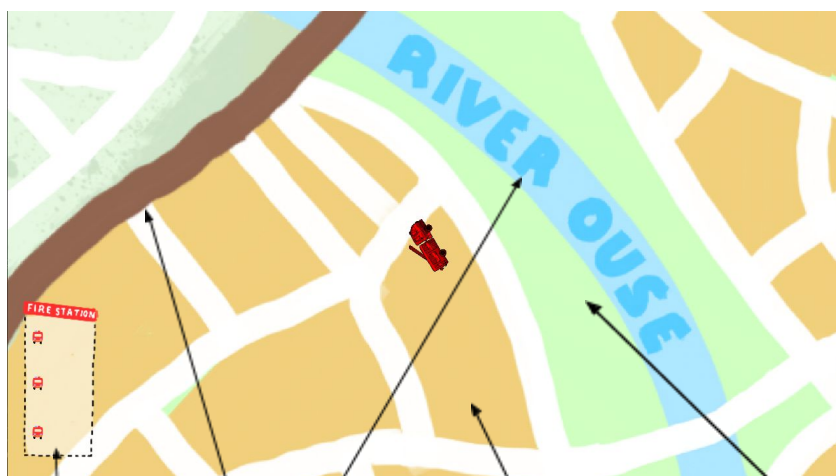

Alien Fortress

Main menu

When you start the game, you will be presented with this menu. Press the space bar to begin the game.

This is where
information about
the firetrucks is
displayed

You cannot
drive
through the
wall or over
the water!

Drive through
buildings and on
the road to get
to your
destination
quickly.

You will drive
slower over the
grass so try to avoid
it!

Movement

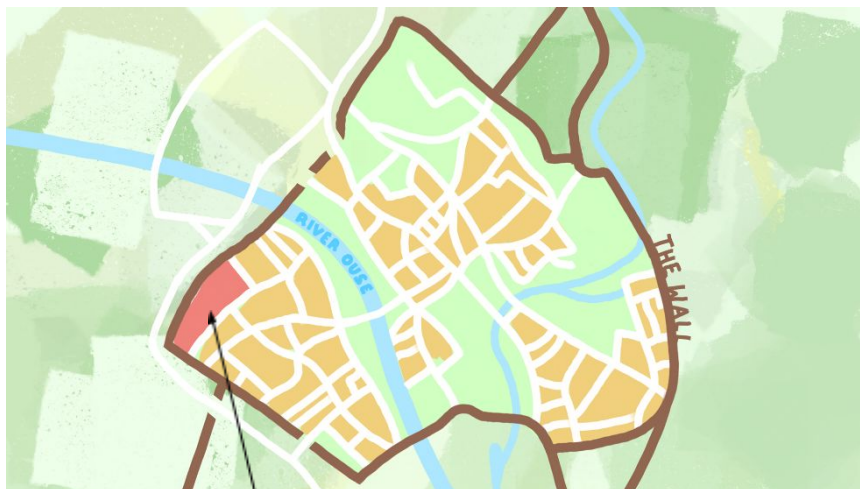

To control a fire truck, use the arrow keys:

- The **UP** arrow key will make the fire truck go forwards
- The **DOWN** arrow will make the fire truck go backwards
- The **RIGHT** and **LEFT** arrow keys will make the fire truck turn in their respective directions.

Attacking

To attack a fortress, you need to aim the truck you're controlling at the fortress, then press the **SPACE BAR** to fire water at it. Make sure you avoid the fortress attacks (it won't be easy!).

Fire station

This is York fire station. Drive over this red zone with your fire truck to repair your fire truck and refill your water supply.
